The screenshot shows a web interface for a patient's personal center. At the top, there is a navigation bar with links for '首页' (Home), '预约挂号' (Appointment), '快速问诊' (Quick Consultation), '找医院' (Find Hospital), '找医生' (Find Doctor), and '查疾病' (Check Disease). Below the navigation bar, the breadcrumb '首页 > 患者个人中心' is visible. The main content area is divided into two columns. The left column contains a profile card with a placeholder for a profile picture, the name '姓名:', the phone number '手机号: 156****9828', and several interactive links: '[患者主页]', '[完善信息]', '[患者病历]', and '[上传头像]'. A red rectangular box highlights this entire profile information section. Below the profile card are statistics for '创康币', '积分', '帖子', and '鲜花', all showing a count of 0, and a '我的中心' button. The right column is titled '基本信息:' and contains a form for '患者姓名:' with a placeholder '请输入患者的姓名' and a larger text area for '患者病史:'. A red arrow points from the '患者病史' text area towards the left column. At the bottom of the right column, there is a section for '上传病历:' with a blue '修改' button. The footer of the page includes the text '暂无图片'.
